For all new breeder applicants – please read and answer the following questions and submit with your application.

- 1: What makes you want to be a breeder?
- 2: Who suggested that you become a registered breeder? Why did you apply to CQI?
- 3: Do you know any other breeders of your breed? **YES / NO** If yes, who?
- 4: Have you purchased any kittens or cats at this stage that you plan to use for breeding? If so, do you have copies of their pedigrees in your name as owner? **YES / NO**
- 5: Do you have a mentor who will guide and assist you as you learn about breeding? **YES / NO**
- 6: Are you fully aware of the MAIN rules of being a breeder with CQI – the most important being that:  
A: all pet kittens **MUST** be desexed by you prior to the kittens leaving your premises.  
B: All kittens **MUST** be microchipped before leaving your premises.  
C: All kittens **MUST** be provided with their pedigree, vaccination record [one vaccine must be administered by a vet], care instructions and any other information that will assist the new owners to care for their kitten appropriately.  
D: All kittens need to be in good health before leaving your premises. Any health concerns need to be disclosed to the new owners.  
**Please answer YES / NO for each of the above.**
- 7: Are you aware that you need to send certified pedigrees of every cat or kitten you purchase for breeding to the Registrar, for inclusion into the CQI Pedigree Database, within 3 months of each purchase? **YES / NO**
- 8: Do you have any questions for us? Please get in touch so we can assist as required.

Thank you for submitting your application to Cats Queensland Inc. Once we have received your responses to the above, we can process your application.

Kind regards,

Chris
